COVE NEWS

To increase convenience and security. A credit card on file is required to charge your balance due on the 1st of each month. Insurance in our files, with Palm Cove Marina named additional insured, is required or the boat will be unavailable for use.

CLEANING UP DRY STORAGE & WET SLIPS

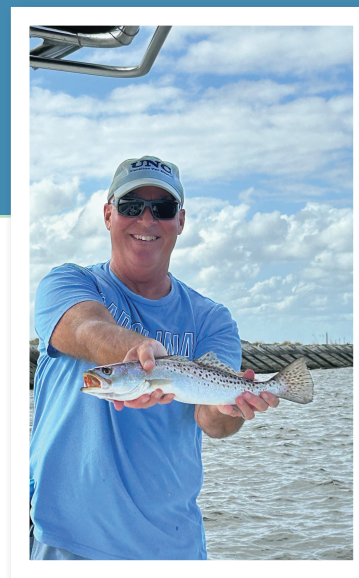

We continue to keep Palm Cove Marina a safe and clean environment. Any customers that have personal belongings they cherish and would like to keep... please remove them from our Dry Storage building and our finger piers by 3/1/2024, or the PCM team will.

DRY STORAGE CUSTOMERS PLEASE HELP US HELP YOU!!

When calling the dry storage phone, if your forklift operators don't answer your call please leave a detailed message, our operators retrieve these messages every few minutes. This request will speed up our process.

Please limit your time to 30 minutes on both the B-Dock and our wash racks. We encourage you to spend as much time as you wish on any open wet slip. Please make sure there are no electrical cords, dock lines, water hoses or fenders in your slip of choice. Please check with our staff regarding availability. Keep in mind our forklift and ships store will stop 15 minutes before posted time.
